(b) Temporary authorization under the conditions set forth in paragraph (a) of this section is effective from the date the application is forwarded to the Wage and Hour Division in conformance with §519.3 of this subpart. This authorization shall continue in effect for one year from the date of forwarding of the application unless, within 30 days the Administrator or his/her authorized representative denies the application, issues a certificate with modified terms and conditions, or expressly extends the 30-day period of review.

(c) Upon receipt of an application for a certificate, the officer authorized to act upon such application shall issue a certificate if the terms and conditions specified in this subpart are satisfied. To the extent he/she deems appropriate, the authorized officer may provide an opportunity to other interested persons to present data, views, or argument on the application prior to granting or denying a certificate.

(d) Until April 30, 1976, if a certificate is issued, there shall be published in the FEDERAL REGISTER a general statement of the terms of such certificate together with a notice that, pursuant to §519.9, for 45 days following such publication any interested person may file a written request for reconsideration or review. Thereafter, applications and certificates will be available for examination in accordance with applicable regulations in Washington, DC, and in the appropriate Regional Office of the Wage and Hour Division (or the Denver, Colorado Area Office for Colorado, North Dakota, and South Dakota; the Salt Lake City, Utah Area Office for Montana, Utah, and Wyoming; and the Caribbean Office for the area it covers) for establishments in its area. A period of 60 days will be provided after certificate issuance during which any interested person may file a written request for reconsideration or review.

(e) If a certificate is denied, notice of such denial shall be sent to the employer, stating the reason or reasons for the denial. Such denial shall be

§519.5 Conditions governing issuance of full-time student certificates.

Certificates authorizing the employment of full-time students at subminimum wage rates shall not be issued unless the following conditions are met:

(a) Full-time students are available for employment at subminimum rates; the granting of a certificate is necessary in order to prevent curtailment of opportunities for employment.

(b) The employment of more than six full-time students by an employer will not create a substantial probability of reducing the full-time employment opportunities for persons other than those employed under such certificates.

(c) Abnormal labor conditions such as a strike or lockout do not exist at the farm or establishment for which a full-time student certificate is requested.

(d) The data given on the application are accurate and based on available records.

(e) The farms or establishments on whose experience the applicant relies meet the requirements of paragraph (h) of §519.6.

(f) There are no serious outstanding violations of the provisions of a full-time student certificate previously issued to the employer, nor have there been any serious violations of the Fair Labor Standards Act (including Child-Labor Regulation No. 3 and the Hazardous Occupations Orders published in part 570 of this chapter) which provide reasonable grounds to conclude that the terms of a certificate may not be complied with, if issued.

(g) The subminimum wage rate(s) proposed to be paid full-time students under temporary authorization or under certificate is not less than 85 percent of the minimum wage applicable under section 6 of the Act.

§519.6 Terms and conditions of employment under full-time student certificates and under temporary authorization.

(a) A full-time student certificate will not be issued for a period longer than 1 year, nor will it be issued retroactively. It shall specify its effective and expiration dates. A copy of the certificate shall be posted during its effective period in a conspicuous place or places in the establishment or at the farm readily visible to all employees, for example, adjacent to the time clock or on the bulletin board used for notices to the employees. If temporary authorization is in effect under paragraph (a) of §519.4 of this subpart, a notice thereof shall be similarly posted during the effective period of such authorization.

(b) Full-time students may not be employed under a certificate at less than 85 percent of the minimum wage applicable under section 6 of the Act.

(c) For retail or service establishment employers or agricultural employers, the allowable extent of full-time student employment under certificates varies depending on whether: (1) The employer proposes to employ no more than six full-time students at subminimum wages on any workday, (2) the applicant requests authority for more than 10 percent of the total hours of all employees during any month, or (3) the applicant requests authority for more than 10 percent of the total hours during any month. (For agricultural employers, the month of full-time student certificated employment may vary somewhat from the month in a previous year on which the certificate is based, depending on seasonal factors.)

(d) *Retail or service establishment employers or agricultural employers requesting authorization to employ not more than six full-time students at subminimum wages on any workday.* An application from such an applicant provides tem-

Upon review of the application by the Administration or his/her authorized representative, the extent of the temporary authority may be modified.

(e) *Applicants requesting authorization for not more than 10 percent of the total hours of all employees during any month.* For such an applicant, certificates may authorize the employment of full-time student at subminimum wages for up to 10 percent of the total hours of all employees during any month, regardless of past practice of employing students. (Note: An establishment which has not previously held a certificate may be authorized 10 percent of the total hours of all employees during any month. Applicants requesting authority under this paragraph need not refer to paragraphs (f), (g), or (h) of this section.)

(f) *Applicants requesting authorization for more than 10 percent of the total monthly hours of all employees during any month with records of hours of employment of students and coverage by the Act prior to May 1974.* For such an applicant, certificates may not authorize full-time student employment at subminimum wages in excess of the highest ratio under any of these three formulas: (1) The proportion of student hours of employment (*i.e.*, of full-time students under certificates) to total hours of all employees for the corresponding month of the preceding twelve-month period; (2) the maximum proportion of student hours of employment to total hours of all employees (in any corresponding month), applicable to the issuance of full-time student certificates before May 1974; or (3) 10 percent of the total hours of all employees, during any month. (Note: An establishment which is entitled to monthly allowances ranging from 5 to 20 percent may be authorized 10 percent for those months which were less than 10 percent and retain the higher allowances for those months above 10 percent.)
